## EMPLOYMENT

### WALK Radio

*Bill Terry, (631)475-5200*

*Promotions Assistant*

*May 2010 to Present*

*Attended promotion events throughout Long Island for the radio station ranging from routine station appearances, remote broadcasts and personality appearances. Set up our booths and interact with listeners and other attendees to the events.*

### CNN iReport

*Lila King, ([lila.king@turner.com](mailto:lila.king@turner.com))*

*Haiti Crisis Relief Project*

*January 2010*

*Assisted in building an online database of victims from the tragic earthquake that struck Haiti in January 2010 by sorting through and organizing submissions from victims and the loved-ones of victims. Website: <http://haiticrisis.cnn.com>*

### OfficeMax

*Greg LeFrance, (631)360-0590*

*Sales Associate*

**Stony Brook, NY**

*12/2009 to Present*

*As a sales associate, I assist customers in the store with their purchases by giving honest, friendly responses to questions they may present and try to ensure the loyalty of each customer by always providing them with the best total solution to their needs.*

### SmithtownRadio.com

*James Brierton, (631)786-7420*

*Producer → Program Director & Webmaster*

**Smithtown, NY**

*06/2009 to Present*

*Responsible for managing our website and develop new methods for people to listen to the station. I also broadcast on the air daily.*

### Waldbaums'

*Michael Fitzpatrick, (631)265-9848*

*Grocery Clerk*

**Smithtown, NY**

*07/2008 to 12/2009*

*Stocked inventory to aisles in the store and assisted customers with questions related to products.*

### Freelance Computer Technician

*Self-Employed*

*I build, upgrade and repair computers for customers around my neighbourhood.*

**Saint James, NY**

*2006 to Present*

### The D+PadNetwork

*Co-Founded with Holden Link, (530)420-5465*

*News Reporter → Site Programmer → Community Manager → General Manager*

*2006 to 2010*

*The D+PadNetwork housed a general video game news blog, networked with multiple websites each dedicated to an individual video game series. At its peak, the network reached over 200k hits per day through its six owned websites. Website: <http://d-padnetwork.com> (no longer active)*
